

APPOS MIAMI 2024

Advanced Practice Providers Oncology Summit

April 12-13

Hilton Miami Airport
Blue Lagoon

COME LEARN WITH US!

APPOS is a two-day conference designed to provide oncology clinicians with the latest evidenced-based strategies to optimize care and outcomes for patients with cancer. Join us for this two-day program to earn CE credits / contact hours and learn the latest clinical and practical strategies to improve care for your oncology patients and communication within your healthcare team.
